

Bradford Environmental Action Trust is now providing...

ENERGY TRAINING, AUDITS AND SUPPORT ACROSS WEST YORKSHIRE

- **Are you a community organisation or network in West Yorkshire?**
 - **Do you want free support to reduce your energy bills?**

BEAT, as part of the Community Cascade Programme, is supporting community buildings across West Yorkshire to reduce their environmental impact and help them save money. If you run or work within a community building, we would like to hear from you! All support is free, funded by the National Lottery.

Some key areas of support and development include:

- **Training in energy management – including:**
 - **understanding bills and meters**
 - **energy efficient techniques and technologies**
 - **renewable energy and the feed-in-tariff**
 - **developments in funding and support**
- **Energy audits identifying ways to save money in your building**
- **1-1 support on managing energy within your building**
- **Free toolkits, resources and publications**

If you require any further information or would like support in reducing your energy bills then please get in touch now.
